2. Any private passenger "motor vehicle" which replaces any "motor vehicle" shown in the Declarations, of which "you" become the "owner" during the policy period. If the private passenger "motor vehicle" "you" acquire replaces one shown in the Declarations, it will have the same liability and personal injury protection coverage as the "motor vehicle" it replaced.

"You" must ask "us" in writing to insure a replacement "motor vehicle" within 30 days only if it is a pickup or van used in any "business" other than farming or ranching.

3. Any private passenger "motor vehicle" which is acquired in addition to the "motor vehicle(s)" shown in the Declarations of which "you" become the "owner" during the policy period provided that "you" are not the "owner" of any other "motor vehicles" which are uninsured, self-insured or insured with another insurer, and provided that:

INSURING AGREEMENT

"We" will pay damages for "bodily injury" or "property damage" for which any "covered person" becomes legally liable as a result of an auto accident. "We" will settle or defend, as "we" consider appropriate, any claim or suit against the "covered person" asking for these damages. In addition to our limit of liability, we will pay all defense costs we incur. "Our" duty to settle or defend ends when "our" limit of liability for this coverage has been exhausted. "We" have no duty to defend any suit or settle any claim for "bodily injury" or "property damage" not covered under this policy.

DEFINITIONS

"Covered person" as used in this part means:

A. "You" or any "resident relative", for the ownership, maintenance or use of any "motor vehicle" or "trailer", except for any "motor vehicle" or "trailer";

1. Of which "you" or any "resident relative" are the "owner" which is not defined as "your covered auto" under this policy; or

2. Furnished or available for "your" or any "resident relative's" regular use which is not defined as "your covered auto" under this policy; or

- C. For "your covered auto", any person or organization, but only with respect to legal responsibility for acts or omissions of a person for whom coverage is afforded under this part;
- D. For any private passenger "motor vehicle" or "trailer", other than "your covered auto", any person or organization, but only with respect to legal responsibility for acts or omissions of "you" for whom coverage is afforded under this part. This provision applies only if the person or organization does not own, rent, lease nor hire the private passenger "motor vehicle" or "trailer";

Except while operating, maintaining or using a motorcycle.

SUPPLEMENTARY PAYMENTS

In addition to "our" limit of liability, "we" will pay on behalf of a "covered person":

- B. Premiums on appeal bonds and bonds to release attachments in any suit against the "covered person" that "we" defend.
- C. Interest accruing after a judgment is entered in any suit against the "covered person" that "we" defend. "Our" duty to pay interest ends when "we" offer to pay that part of the judgment, which does not exceed "our" limit of liability for this coverage.
- D. Up to \$50 per day for loss of earnings, but not other income, because of attendance at hearings or trials at "our" request.
- E. Other reasonable expenses incurred at "our" request.

POLICY PERIOD AND TERRITORY

This policy applies to auto accidents, which occur during the policy period as shown in the Declarations and within the "policy territory".

The "policy territory" is the United States of America, its territories or possessions, and Canada. This policy also applies to auto accidents involving, "your covered auto" while it is being transported between their ports.

This exclusion does not apply to "bodily injury" to a domestic employee not entitled to Workers' Compensation benefits or to liability assumed by the "named insured" under an "insured" contract.

LIMIT OF LIABILITY

The limit of liability shown in the Declarations for each person for "bodily injury" liability is "our" maximum limit of liability for all damages for "bodily injury" sustained by any one person in any one auto accident. This includes all derivative claims arising out of said "bodily injury" which includes, but is not limited to: damages for care; loss of service or death; loss of consortium; loss of society or companionship. Subject to this limit for each person, the limit of liability shown in the Declarations for each accident for "bodily injury" liability is "our" maximum limit of liability for all damages for "bodily injury" resulting from any one auto accident.

The limit of liability shown in the Declarations for each auto accident for "property damage" liability is "our" maximum limit of liability for all damages to all property resulting from any one auto accident regardless of the location of the loss.

This is the most "we" will pay regardless of the number of "covered persons", claims made, vehicles or premiums shown in the Declarations, or vehicles involved in the auto accident.

FINANCIAL RESPONSIBILITY

When "we" certify this policy as proof under the Florida financial responsibility law, it will comply with the law to the extent of the coverage required under all Florida Statutes as provided in Chapter 324.

OTHER INSURANCE

If there is other applicable liability insurance, "we" will pay only "our" share of the loss. "Our" share is the proportion that "our" limit of liability bears to the total of all applicable limits. However, any insurance "we" provide for a vehicle of which "you" are not the "owner" shall be excess over any other collectible insurance.

NON-JOINDER OF INSURER

No person, who is not an "insured" under the terms of this policy shall have any interest in this policy, either as a third party beneficiary or otherwise, prior to first obtaining a verdict against a person who is an "insured" under the terms of this policy for a cause of action which is covered by this policy.

LEGAL ACTION AGAINST "US"

No legal action may be brought against "us" until there has been full compliance with all the terms of this policy nor until thirty days after the required notice of auto accident and reasonable proof of claim has been filed with "us". Reasonable proof shall include, but not be limited to, a fully completed accident report and police report. In addition, under this section of the policy, no legal action may be brought against "us" until "we" agree, in writing, that the "covered person" has an obligation to pay or until the amount of that obligation has been finally determined by verdict after trial. No person or organization has any right under this policy to bring "us" into any action to determine the liability of a "covered person" until after the rendition of a verdict.

NOTICE

In the event of an accident, written notice of the loss must be given to "us" or any of "our" authorized agents as soon as practicable.

SUBMIT A PROOF OF LOSS WHEN REQUIRED BY "US"

As soon as practicable, the person making the claim shall give to "us" written proof of claim, under oath if required, which may

include information as may assist "us" in determining the amount due and payable.

A person seeking any coverage under this section of the policy must cooperate with "us" in the investigation, settlement or defense of any claim or suit, including submitting to an examination under oath by any person named by "us" when or as often as "we" may reasonably require at a place designated by "us" within a reasonable time after "we" are notified of the claim.

Whenever a person making a claim is charged with committing a felony in connection with the incident giving rise to said claim, "we" shall withhold benefits until at the trial level, the prosecution makes a formal entry on the record that it will not prosecute the case against the person, the charge is dismissed or the person is acquitted.

PART II: UNINSURED MOTORISTS COVERAGE

DEFINITIONS

- A.** "Claimant" means:
1. "You" for the ownership, maintenance or use of any "motor vehicle" or "trailer"
 2. "Resident Relative" for the ownership, maintenance or use of any "motor vehicle" or "trailer".
 3. Any other person "occupying" "your covered auto".
 4. Any person for damages that person is entitled to recover because of "bodily injury" to which this coverage applies sustained by a person described in 1, 2 or 3 above.
- B.** "Uninsured motor vehicle" means a land "motor vehicle" or "trailer" of any type:
1. To which no "bodily injury" liability bond or policy applies at the time of the auto accident.
 2. To which a "bodily injury" liability bond or policy applies at the time of the auto accident; but the amount paid for "bodily injury" under that bond or policy to a "claimant" is not enough to pay the full amount the "claimant" is legally entitled to recover as damages.
 3. Which is a hit-and-run vehicle whose operator or owner cannot be identified and which hits or which causes an auto accident resulting in "bodily injury" without hitting:
 - a. "You" or any "resident relative";
 - b. A vehicle which "you" or any "resident relative" are "occupying"; or
 - c. "Your covered auto".

If there is no physical contact with the hit-and-run vehicle the facts of the auto accident must be proved. "We" will only accept competent evidence other than the testimony of a person making claims under this or any similar coverage.

4. To which a "bodily injury" liability bond or policy applies at the time of the auto accident but the bonding or insuring company:
- Denies coverage; or
 - Is, or becomes, insolvent.

However, "uninsured motor vehicle" does not include any vehicle or equipment:

- Owned by or furnished or available for the regular use of "you" or any "resident relative" that causes damage to you or any resident relative and they are excluded from Part I; unless being operated by a non-resident relative.
- Owned by any governmental unit or agency.
- Operated on rails or crawler treads.
- Designed mainly for use off public roads while not on public roads.
- While located for use as a residence or premises.
- Insured under this policy, except as provided for in 1 above.

INSURING AGREEMENT

Under the Uninsured Motorists Coverage, "we" will pay compensatory damages except punitive and exemplary damages, which a "claimant" is legally entitled to recover from the owner or operator of an "uninsured motor vehicle" because of "bodily injury":

- Sustained by a "claimant"; and
- Caused by an auto accident; and
- Caused by the negligence of an owner and/or operator of an "uninsured motor vehicle" arising out of the ownership, maintenance or use of that vehicle.

This coverage does not apply to any damages for pain and suffering that the "claimant" may be legally entitled to recover against an uninsured motorist unless the injury or disease, caused by the "uninsured motor vehicle", resulted in:

- Significant and permanent loss of an important bodily function;
- Permanent injury within reasonable medical probability other than scarring or disfigurement;

C. Significant and permanent scarring or disfigurement; or

D. Death.

Any judgment for damages arising out of a suit brought without "our" written consent is not binding on "us".

EXCLUSIONS

"We" do not provide uninsured motorists coverage for "bodily injury" sustained by any "claimant":

- If that "claimant" or his legal representative has made a settlement or has been awarded a judgment of his claim without "our" prior written consent.
- While "occupying" "your covered auto" when it is being used to carry persons or property for a fee. This exclusion does not apply to a share-the-expense car pool.
- Using a "motor vehicle" without express or implied permission to do so.

This coverage shall not apply directly or indirectly to benefit any insurer or self-insurer under any of the following or similar laws:

- Workers' Compensation law; or
- Disability benefits law.

LIMIT OF LIABILITY

- The maximum limit of "our" liability for uninsured motorists coverage in any one auto accident is the sum of the uninsured motorists coverage limits shown in the Declarations applicable to each "motor vehicle". This is the most "we" will pay regardless of the number of:
 - "Insureds";
 - "Claimants";
 - Claims made;
 - Vehicles or premiums shown in the Declarations; or
 - Vehicles involved in the auto accident.
- Any coverage afforded under this section shall be over and above, but shall not duplicate, any amounts available to a "claimant" because of other "bodily injury" coverage:
 - From or on behalf of persons or organizations who may be legally responsible.
This includes all sums paid under Part I.
 - Under any of the following:
 - Workers' Compensation law;
 - Disability benefit law or similar law;
 - No-Fault coverage; or

d. Automobile medical payments coverage;

- C. Any payment under this coverage will reduce any amount that "claimant" is entitled to recover for the same element of loss under Part I of this policy; and in no event will a "claimant" be entitled to receive duplicate payment for the same element of loss.

OTHER INSURANCE

When a "claimant" occupies a "motor vehicle" not described in this policy, this insurance is excess over any other similar insurance available to the "claimant" and the insurance, which applies to the occupied "motor vehicle" is primary.

If the "claimant" has other insurance against a loss covered by the uninsured motorist provisions of this policy, "we" will not be liable for more than "our" pro-rata share of the total coverage available.

TRUST AGREEMENT

If "we" pay a "claimant" for loss under this coverage:

- A. "We" are entitled to recover from the "claimant" an amount equal to such payment if there is a legal settlement made on his behalf against any person or organization legally responsible for "bodily injury" and/or "property damage" provided that the "claimant" is fully compensated for all his damages.
- B. The "claimant" must hold in trust for "us" all rights, which he has to recover money from any person or organization legally responsible for "bodily injury" and/or "property damage".
- C. The "claimant" must do everything proper to secure "our" rights of recovery and do nothing to prejudice these rights.
- D. If "we" ask the "claimant" in writing the "claimant" shall take the necessary and/or appropriate action, through a representative designated by "us", to recover payment for damages from the responsible person or organization. If there is a recovery, then "we" shall be reimbursed out of the recovery for expenses, costs and attorney's fees incurred in connection with this recovery.
- E. The "claimant" must execute and deliver to "us" any legal instruments or papers necessary to secure the rights and obligations of the "claimant" and "us" as established here.

DISPUTES CONCERNING UNINSURED MOTORIST CLAIMS

If a "claimant", or in the case of death, the personal representative agrees to settle a claim with a liability insurer and its "insured" and such settlement would not fully satisfy the claim for personal injuries or wrongful death so as to create an uninsured motorist claim against "us", then such proposed settlement agreement shall be submitted in writing to "us" by certified or registered mail; and "we" shall have a period of thirty days after receipt thereof in which to consider authorization of the settlement or retention of subrogation rights. If "we" authorize settlement or fail to respond to the settlement request within the thirty day period, the "claimant" may proceed to execute a full release in favor of the underinsured motorist's liability insurer and its "insured" and finalize the proposed settlement without prejudice to any underinsured motorist claim.

If "we" choose to preserve "our" subrogation rights by refusing permission to settle, "we" must, within thirty days after receipt of the notice of the proposed settlement, pay to the "claimant" the amount of the written offer from the underinsured motorist's liability insurer. Thereafter, upon final resolution of the underinsured motorist claim, "we" are entitled to seek subrogation against the underinsured motorist and the liability insurer for the amounts paid to the "claimant".

"We" are entitled to a credit against total damages in the amount of the limits of the underinsured motorist's liability policy in all cases, even if the settlement with the underinsured motorist or the payment by the underinsured motorist's insurer is for less than the underinsured motorist's full liability policy limits. The term "total damages" means the full amount of damages determined to have been sustained by the "claimant", regardless of the amount of underinsured motorist's coverage. No payments or credits reduce or affect the total amount of underinsured motorist's coverage available to the "claimant".

A person seeking any uninsured motorist's coverage must cooperate with "us" in the investigation of any uninsured motorist claim or suit, including submitting to examination under oath by any person named by "us" when or as often as "we" may reasonably require at a place designated by "us".

If "we" and a "claimant" disagree as to whether that person is legally entitled to recover damages from the "owner" or operator of an uninsured or underinsured "motor vehicle", or do not agree as to the amount of damages, the matter will be decided by a court of competent jurisdiction. Any judgment against the uninsured motorist will be binding against "us" only if "we" were named as a party defendant.

1. The "named insured" or any "family member" while "occupying" a "motor vehicle" or while a pedestrian through being struck by a "motor vehicle"; or
2. Any other person while "occupying" the "insured motor vehicle", or while a pedestrian, who is a resident of Florida, through being struck by the "insured motor vehicle", provided such person is not the "owner" of a "motor vehicle" with respect to which security is required to be maintained under the Florida Motor Vehicle No-Fault Law or entitled to personal injury benefits from the insurer of the "owner(s)" of a "motor vehicle".

This coverage also extends outside the State of Florida, but within the "policy territory", to the "named insured" while "occupying" the "insured motor vehicle" or a "motor vehicle" insured for PIP and owned by a "resident relative". It also extends to a "family member" while "occupying" the "insured motor vehicle".

"We" may pay death benefits to: a) the executor or administrator of the deceased; b) to any of the deceased's relatives by blood or legal adoption or connection by marriage; or c) to any person appearing to "us" to be equitably entitled thereto.

POLICY PERIOD AND TERRITORY

The insurance under this part applies only to "auto accidents" arising out of the maintenance, use or ownership of a "motor vehicle" which occur during the policy period:

- A. In the State of Florida; and
- B. Outside the State of Florida, but within the United States of America, its territories or possessions and Canada.

However, the limit of liability shown in the Declarations is the maximum limit of liability "we" will pay, regardless of the location of the loss as respects any person afforded coverage under this section of the policy.

EXCLUSIONS

This insurance does not apply:

- A. To any person while "occupying" a "motor vehicle" of which "you" are the "owner" and which is not an "insured motor vehicle" under this insurance;
- B. To any person while operating the "insured motor vehicle" without the express or implied consent of "you";
- C. To any person, if such person's conduct contributed to his "bodily injury" under any of the following circumstances:
 - 1. Causing "bodily injury" to himself intentionally;
 - 2. While committing a felony;
- D. To "you" or dependent "resident relative" for "work loss" if an entry in the Declarations indicates such coverage does not apply;
- E. To any pedestrian, other than "you" or any "family member", not a legal resident of the State of Florida; who sustains "bodily injury" through being struck by a "motor vehicle" in the State of Florida;

F. To any person, other than "you", if such person is the "owner" of a "motor vehicle" with respect to which security is required under the Florida Motor Vehicle No-Fault Law;

G. To any person, other than "you" or any "family member", who is entitled to personal injury protection benefits from the "owner" of a "motor vehicle" or from the "owner's" insurer, which is not an "insured motor vehicle" under this insurance;

H. To any person who sustains "bodily injury" while "occupying" a "motor vehicle" located for use as a residence or premises;

- I. To any person who sustains "bodily injury" while:
 - 1. "Occupying" a "motor vehicle", of which "you" are not the "owner"; or

J. To any person, other than "you" or "family member" who sustains "bodily injury" while "occupying" the "insured motor vehicle" outside the State of Florida.

LIMIT OF LIABILITY

Regardless of the number of persons insured, policies or bonds applicable, vehicles involved or claims made, the total aggregate limit of personal injury protection benefits available under the Florida Motor Vehicle No-Fault Law from all sources combined, including this policy, for loss and expenses incurred by or on behalf of any one person who sustains "bodily injury" as a result of any one accident, shall be \$10,000; provided that payment of death benefits of \$5,000 included in the foregoing shall apply. If Workers' Compensation benefits or Medicaid have been received for the same items of loss and expenses under any Workers' Compensation law or Medicaid program, those items of loss and expenses will be credited against the personal injury protection benefits available with respect to such "bodily injury" under this section of the policy. The limits of liability shown in the Declarations are the maximum limit of liability "we" will pay regardless of the location of the loss.

If benefits have been received under the Florida Motor Vehicle No-Fault Law from any insurer for the same items of loss and expenses for which benefits are available under this policy, "we" shall not be liable to make duplicate payments to or for the benefit of the injured person; but, the insurer paying such benefits shall be entitled to recover from "us" its equitable pro-rata share of the benefits paid and expenses incurred in processing the claim.

The amount of any deductible stated in the Declarations for personal injury protection coverage shall be deducted from the total amount of all sums otherwise payable by "us" with respect to all loss and expenses incurred by or on behalf of each person to whom the deductible applies and who sustains "bodily injury" as the result of any one accident; and if the total amount of such loss and expenses exceeds such deductible amount, the total limit of benefits "we" are obligated to pay shall then be the difference between such deductible amount and the applicable limit of "our" liability. Such deductible amount shall not be applied to the death benefit.

No coverage will be provided for punitive damages.

Any amounts payable under this coverage with respect to the following medical expenses shall not exceed the applicable limitations for such expenses as prescribed by the Florida Motor Vehicle No-Fault Law:

1. Cephalic thermograms;
2. Extremity ultrasounds;
3. Magnetic resonance imaging-services;
4. Nerve conduction testing;
5. Peripheral thermograms;
6. Spinal ultrasounds;
7. Surface electromyography; and
8. Video fluoroscopy.

REIMBURSEMENT AND SUBROGATION

Unless prohibited by the Florida Motor Vehicle No-Fault Law, and in the event of payment to or for the benefit of any insured person under this insurance:

- A. "We" are subrogated to the rights of the person to whom or for whose benefit such payments were made to the extent of such payments. Such person shall execute and deliver the instruments and papers and do whatever else is necessary to secure such rights. Such person shall do nothing after loss to prejudice such rights.
- B. "We" shall be entitled to reimbursement to the extent of the payment of personal injury protection benefits from the "owner" or insurer of the "owner" of a commercial "motor vehicle" as defined in the Florida Motor Vehicle No-Fault Law, if such injured person sustained the injury while "occupying", or while a pedestrian through being struck by, such commercial "motor vehicle".

ARBITRATION

Any claim dispute involving medical benefits under this section of the policy between "us" and a medical services or supplies provider (hereinafter referred to as "healthcare provider") who

has agreed to accept an assignment of personal injury protection benefits may be decided by arbitration upon written request by either party and both parties agree to it.

Upon acceptance by both parties to arbitrate, each party shall select an arbitrator. The two arbitrators shall attempt to select a third arbitrator. If they are unable to agree on a third arbitrator within thirty days, either party may request a judge of a court of record in the county in which the arbitration is pending to appoint the third arbitrator. A written decision concurred upon by any two arbitrators shall be binding on each party.

As a condition of maintaining a claim dispute in arbitration, the "healthcare provider" shall make available for inspection and copying the entire file pertaining to the patient that is the subject of this proceeding. This file shall include patient questionnaires, reports, and test results, unless "we" advise in writing that certain of such materials need not be provided. No arbitration may be held until thirty days after the required request for arbitration and patient's file has been supplied to "us". Any arbitration award shall not exceed the personal injury protection coverage limits remaining on the policy.

The "prevailing party" to the arbitration shall be entitled to reimbursement of reasonable attorneys' fees and costs.

Attorneys' fees and costs will not be subject to any type of multiplier.

The arbitration shall take place in the county in which the "healthcare provider" is located. If they are located out-of-state, arbitration shall take place in the county in which the "insured" resides, unless the "healthcare provider" and "we" agree to another place. Arbitration is subject to the provisions of the Florida Arbitration Code, Chapter 682 of the Florida Statutes.

This arbitration provision does not apply to disputes regarding the termination of personal injury protection benefits.

LEGAL ACTION AGAINST "US"

No legal action may be brought against "us" until there has been full compliance with all the terms of this policy nor until thirty days after the required notice of accident and reasonable proof of claim has been filed with "us". Reasonable proof shall include, but not be limited to:

- A. A properly completed Florida Application for No-Fault benefits;
- B. A fully completed accident report and police report; and
- C. All "medical expenses" incurred as a result of the accident and all supporting medical records.

SUBMIT A PROOF OF CLAIM WHEN REQUIRED BY "US"

As soon as practicable, the person making the claim (including any assignees of the injured party) shall give to "us" written proof of claim, under oath if required, which may include full particulars of the nature and extent of the injuries and treatment received and contemplated, and such other information as may assist "us" in determining the amount due and payable. The person making the claim (including any assignees of the injured party) may also be required to submit to an examination under oath by any person named by "us" when and as often as "we" may reasonably require, at a place designated by "us" within a reasonable time after "we" are notified of the claim. Such person shall submit to mental and physical examinations at "our" expense when and as often as "we" may reasonably require. A copy of the medical report shall be forwarded to such person if requested in writing. If the person unreasonably refuses to submit to an examination, "we" will not be liable for any personal injury protection benefits. Whenever a person is making a claim in relation to "your covered auto" when an insured is charged with committing a felony, "we" shall withhold benefits until at the trial level, the prosecution makes a formal entry on the record that it will not prosecute the case against the person(s) using "your covered auto", the charge is dismissed or the person(s) is acquitted.

PART VI: GENERAL PROVISIONS

CHANGES

This policy contains all the agreements between "you" and "us". Its terms may not be changed or waived except by endorsement issued by "us". The premium for this policy is based on information "we" received from "you" or other sources. If the information is incorrect or incomplete, or changes during the policy period, "you" must inform "us" within thirty days, including, but not limited to:

- A.** "Your covered auto", or its use, including mileage to and from work;
- B.** The persons who regularly operate "your covered auto", including newly licensed "resident relatives" or additional "resident relatives";
- C.** "Your" marital status; or
- D.** The location where "your covered auto" is principally garaged.

If a change requires a premium adjustment, "we" will adjust the premium as of the effective date of change.

"We" may revise this policy form to provide more coverage without additional premium charge. If "we" do this "your" policy will automatically provide the additional coverage as of the date the revision is effective in "your" state.

Failure to provide "us" with these changes within the prescribed time period may result in a denial of "your" claim.

COOPERATION AND ASSISTANCE

"You" must cooperate with "us" and, upon "our" request, must attend hearings and trials and assist "us" in effecting settlements, securing and giving evidence, obtaining the attendance of witnesses and in the conduct of suits. "You" must not, except at "your" own expense, voluntarily make any payment, assume any obligation or incur any expense for any loss, to which coverage of this policy would apply unless "you" and "we" agree to same.

MISREPRESENTATION AND FRAUD

This policy may be void if "you":

- A.** Have concealed or misrepresented any material facts or circumstances concerning this insurance or the subject thereof; or,
- B.** Engaged in fraudulent conduct in connection with any auto accident or loss for which coverage is sought under this policy; or,

- C.** Attempted fraud or false swearing by "you", touching upon any matter relating to this insurance or the subject thereof.

NON-JOINDER OF INSURER

No person, who is not an "insured" under the terms of this policy shall have any interest in this policy, either as a third party beneficiary or otherwise, prior to first obtaining a verdict against a person who is an "insured" under the terms of this policy for a cause of action which is covered by this policy.

LEGAL ACTION AGAINST "US"

No legal action may be brought against "us" until there has been full compliance with all the terms of this policy nor until thirty days after the required notice of an auto accident and reasonable proof of claim has been filed with "us". Reasonable proof shall include, but not be limited to: a) a properly completed Florida Application for No-Fault benefits; b) a fully completed auto accident report and police report; and c) all medical expenses incurred as a result of the auto accident and all supporting medical records. In addition, under the Liability Coverage, no legal action may be brought against "us" until "we" agree, in writing, that the "covered person" has an obligation to pay or until the amount of that obligation has been finally determined by verdict after trial. No person or organization has any right under this policy to bring "us" into any action to determine the liability of a "covered person" until after the rendition of a verdict.

NOTICE

In the event of an accident, written notice of the loss must be given to "us" or any of "our" authorized agents as soon as practicable.

"OUR" RIGHTS TO RECOVER PAYMENT

- A.** If "we" make a payment under this policy and the person to or for whom payment was made has a right to recover damages from another, "we" shall be subrogated to that right. That person shall do:
 - 1. Whatever is necessary to enable "us" to exercise "our" rights; and
 - 2. Nothing after loss to prejudice them.However, "our" rights in this paragraph **A** do not apply under Part III, against any person using "your covered auto" with express or implied permission to do so.
- B.** If "we" make a payment under this policy and the person to or for whom payment is made recovers damages from another, that person shall:
 - 1. Hold in trust for "us" the proceeds of the recovery; and
 - 2. Reimburse "us" to the extent of "our" payment.

"OUR" RIGHT TO RECOMPUTE PREMIUM

The premium for this policy has been established in the reliance upon the statements made by "you" in the application for insurance. "We" shall have the right to recompute the premium payable for this policy if information material to the development of the final premium is subsequently obtained.

It is agreed that in the event of any change in the rules, rates, rating plan, premiums or minimum premiums applicable to the insurance afforded, because of any adverse judicial finding as to the constitutionality of any provisions for the exemption of persons from tort liability, the premium stated in the Declarations for any Liability insurance shall be deemed provisional and subject to re-computation. If this policy is a renewal policy, such re-computation shall also include a determination of the amount of any return premium previously credited or refunded to the "named insured" pursuant to Section 12 (2) (e) of the Florida Motor Vehicle No-Fault Law, as amended, with respect to insurance afforded under a previous policy. If the final premium thus re-computed exceeds the premium stated in the Declarations, the "named insured" shall pay to "us" the excess, as well as the amount of any return premium previously credited or refunded.

3. In the event "we" determine that "you" have been charged an incorrect premium for coverage requested in "your" application for insurance, "we" shall immediately mail "you" notice of any additional premium due "us". - a. Pay the additional premium and maintain this policy in full force under its original terms; or
 - b. Cancel this policy and demand a refund of any unearned premium;

Then this policy shall be canceled effective fourteen days from the date of the notice (or a longer time period as specified in the notice).

4. a. If this is a new or renewal policy which provides liability coverage, it may not be canceled by "you" during the first sixty days following the date of issuance or renewal except for one of the following reasons:

5. After this policy has been in effect for sixty days, or if this policy is a renewal or continuation policy, "we" will cancel only:

a. Pursuant to section 627.7282 of the Florida Insurance Statutes, regarding "your" failure to respond to "our" notice of additional premium due.

d. If the policy was obtained through material misrepresentation or fraud.

6. "Our" right to cancel this policy is subject to the limitations contained in Florida Statutes.

B. Non-renewal. If "we" decide not to renew or continue this policy "we" will mail advance notice to the "named insured" shown in the Declarations at the address shown in this policy at least 45 days before the end of the policy period. Notice will be mailed by registered

or certified mail or United States Post Office proof of mailing.

However, if the policy period is:

1. Six months, "we" will have the right not to renew or continue this policy every six months, beginning six months after its original effective date.

2. One year, "we" will have the right not to renew or continue this policy at each anniversary of its original effective date.

"We" will not refuse to renew or continue this policy solely because:

1. "You" were convicted of one or more non-criminal traffic violations, which did not involve an auto accident or cause revocation or suspension of "your" driving privilege unless "you" have been convicted of or plead guilty to:

a. Two such traffic violations within an eighteen month period; or

b. Three or more such traffic violations within a thirty six-month period; or

c. Exceeding the lawful speed limit by more than 15 miles per hour; or

2. "You" have had only one auto accident in the last three years immediately preceding the renewal date. However, "we" may refuse to renew this policy if, at the time of renewal, "you" have had two or more at-fault accidents, or three or more auto accidents regardless of fault, within the current three- year period.

"Our" right to non-renew this policy is subject to the limitations contained in the Florida Statutes.

C. Automatic Termination. If "we" offer to renew or continue and "you" or "your" representative do not accept, this policy will automatically terminate at the end of the current policy period. Failure to pay the required renewal or continuation premium when due shall mean that "you" have not accepted "our" offer.

If "you" obtain other insurance on "your covered auto" as defined in Part III, any similar insurance provided by this policy will terminate as to that "motor vehicle" on the effective date of the other insurance.

D. Other Termination Provisions.

1. If the law in effect in "your" state at the time this policy is issued, renewed or continued:
 - a. Requires a longer notice period;
 - b. Requires a special form of or procedure for giving notice; or
 - c. Modifies any of the stated termination reasons;

"We" will comply with those requirements.

2. "We" may deliver any notice instead of mailing it. Proof of mailing of any notice shall be sufficient proof of notice.

3. If this policy is canceled, "you" may be entitled to a premium refund. If so, "we" will send "you" the refund. The premium refund, if any, will be computed according to "our" manuals. However, making or offering to make the refund is not a condition of cancellation.

4. The effective date of cancellation stated in the notice shall become the end of the policy period.

5. If the policy or form of coverage is canceled by "us" the return premium shall be computed on a pro-rata basis, which means "we" will earn premium only for the period of time "you" were insured by this policy.

6. If the policy or form of coverage is canceled at the request of the "named insured", or a third party such as a premium finance company, short rate will apply. Short rate is defined as 90% of the premium refund calculated on a pro-rata basis.

TRANSFER OF "YOUR" INTEREST IN THIS POLICY

"Your" rights and duties under this policy may not be assigned without "our" written consent. However, if a "named insured" shown on the Declarations dies, coverage will be provided for:

- A. The surviving spouse if resident in the same household at the time of death. Coverage applies to the spouse as if a "named insured" shown in the Declarations; and
- B. The legal representative of the deceased person as if a "named insured" shown in the Declarations. This applies only with respect to the representative's legal responsibility to maintain or use "your covered auto".

TWO OR MORE AUTO POLICIES

If this policy and any other auto insurance policy issued to "you" by "us" apply to the same accident, the maximum limit of "our" liability under all the policies shall not exceed the highest applicable limit of liability under any one policy.

BANKRUPTCY

"Your" bankruptcy or insolvency, or that of "your" estate, will not relieve "us" of "our" obligations under this policy.

MEDIATION OF CLAIMS

In any claim filed with an insurer for personal injury in the amount of \$10,000 or less or any claim for "property damage" in any amount arising out of the ownership, operation, use or maintenance of a "motor vehicle", either party may demand mediation of the claim prior to the institution of litigation.

A request for mediation shall be filed with the Department on a form approved by the Department. The request for mediation shall state the reason for the request for mediation and the issues in dispute which are to be mediated. The filing of a request for mediation tolls the applicable time requirements for filing suit for a period of 60 days following the conclusion of the mediation process or the time prescribed in Statute 95.11, whichever is later.

The mediation shall be conducted as an informal process in which formal rules of evidence and procedure need not be observed. Any party participating in a mediation must have the authority to make a binding decision. All parties must mediate in good faith. The Department shall randomly select mediators. Each party may once reject the mediator selected, either originally or after the opposing side has exercised its option to reject a mediator. Costs of mediating shall be borne equally by both parties unless the mediator determines that one party has not mediated in good faith.

Only one mediation may be requested for each coverage of a claim, unless all parties agree to further mediation.

Upon receipt of a request for mediation, the Department shall refer the request to a mediator. The mediator shall notify the applicant and all interested parties, as identified by the applicant, and any other parties the mediator believes may have an interest in the mediation, of the date, time and place of the mediation conference.

The conference may be held by telephone, if feasible.

The mediation conference shall be held within forty-five days after the request for mediation.

The provisions of Section 627.745, Florida Statutes, will apply.

CONFORMITY WITH LAW

Terms of this policy, which are in conflict with the Statutes of the state wherein this policy is issued, are hereby amended to such Statutes.

If "you" have any inquiries or wish to obtain information about coverage, please call (800) 222 - 3077. "We" will also provide assistance in resolving complaints.

In Witness Whereof, "we" have caused this policy to be executed and attested, and, if required by state law, this policy shall not be valid unless countersigned by "our" authorized representative.

If no date is specified, this policy will be canceled effective the date the notice is received in “our” office.

2. How “we” may cancel

a. Except as provided under Cancellation Due to Incorrect Premium, “we” may cancel this policy by mailing or delivering written notice of cancellation” shown in the Declarations at the address shown in this policy:

- (1) Mailed at least ten (10) days before the cancellation effective date if cancellation is for nonpayment of premium; or
- (2) Mailed at least forty-five (45) days before the cancellation effective date if the cancellation is for any other reason.

Mailing this notice by registered, certified mail or United States Post Office proof of mailing shall be sufficient proof of notice.

b. If this is a new policy, “we” will not cancel for nonpayment of premium during the first sixty (60) days following the date of policy issuance unless a check used to pay “us” is dishonored for any reason. However, “we” may cancel for any other reason.

c. After this policy has been in effect for sixty (60) days, or if this policy is a renewal or continuation policy, “we” will cancel only:

- (1) For “your” failure to respond to “our” notice of additional premium due, pursuant to section 627.7282, Florida Statutes; or
 - a. Pay the additional premium and maintain this policy in full force under its original terms; or
 - b. Cancel this policy and demand a refund of any unearned premium;

 - i. During the policy period; or
 - ii. 180 days immediately preceding its effective date;

Or
- (4) If the policy was obtained through material misrepresentation or fraud.

B. Non-renewal. If “we” decide not to renew or continue this policy “we” will mail notice to the “named insured” shown in the Declarations at the address shown in this policy at least forty five (45) days before the end of the policy period. - 2. One (1) year, “we” will have the right not to renew or continue this policy at each anniversary of its original effective date.

“We” will not refuse to renew or continue this policy solely because:

- a. “You” were convicted of one or more non-criminal traffic violations which did not involve an auto accident or cause revocation or suspension of “your” driving privilege unless “you” have been convicted of or plead guilty to:

- (1) Two (2) such traffic violations within an eighteen (18) month period; or
- (2) Three (3) or more such traffic violations within a thirty six (36) month period; or

3. Cancellation Due to Incorrect Premium

In the event “we” determine that “you” have been charged an incorrect premium for coverage requested in “your” application for insurance, “we” shall immediately mail “you” notice of any additional premium due “us”. "Our" right to non-renew this policy is subject to the limitations contained in the Florida Statutes.

- C. **Automatic Termination.** If "we" offer to renew or continue and "you" or "your" representative do not accept, this policy will automatically terminate at the end of the current policy period. Failure to pay the required renewal or continuation premium when due shall mean that "you" have not accepted "our" offer.

If "you" obtain other insurance on "your covered auto", any similar insurance provided by this policy will terminate as to that "motor vehicle" on the effective date of the other insurance.

D. **Other Termination Provisions.**

- 1. At the time this policy is used, renewed or continued, if Florida Law:
 - a. Requires a longer notice period;
 - b. Requires a special form of or procedure for giving notice; or
 - c. Modifies any of the stated termination reasons.

"We" will comply with those requirements.

- 2. If "you" cancel this policy, premium will be earned on a short rate basis, as defined below. If "we" cancel, premium will be earned on a pro-rata basis. If this policy is canceled, "you" may be entitled to a refund of unearned premium. If so, "we" will send "you" the refund at the time of cancellation or

within a reasonable time thereafter. The premium refund, if any will be computed according to "our" manuals. Any delay in the return of the unearned premium shall not affect the cancellation.

- 3. The effective date of cancellation stated in the notice shall become the end of the policy period.

- 4. If the policy or form of coverage is cancelled by "us", the return premium shall be computed on a pro-rata basis, which means "we" will earn premium only for the period of time "you" were insured by this policy. If there is any unearned premium due to "you", "we" will mail "your" refund to "you" within fifteen (15) days of the effective date of cancellation.

- 5. If the policy or form of coverage is cancelled at the request of the "named insured", or a third party such as a premium finance company, short rate will apply. If there is any unearned premium due to "you", "we" will mail "your" refund to "you" within thirty (30) days of the effective date of cancellation.

Short rate is defined as 90% of the premium refund calculated on a pro-rata basis.

- 6. If "you" are a service member of the U.S. Armed Forces and "you" cancel "your" policy because of being called to active duty or "you" are transferred to a location where the insurance is not required and provide proof of same. We will refund 100% of "your" unearned premium, computed on a pro-rata basis.

- E. **Return of Premium.** If "you" financed your insurance premiums through a Premium Finance Company and "you" assigned your right to collect unearned premiums to the Premium Finance Company, then "we" shall return the unearned premium to the Premium Finance Company.
